#### Color Correction

We specialize in color correction and would love to prove it to you! It is very difficult to quote a price without first talking to you about your expectations, looking at your color and feeling the condition of your hair. Sometimes multiple appointments will be needed to experience the full effects of truly corrected haircolor. So come on in and talk to us! We'll give you a quote and tell you exactly what is needed to get back to looking and feeling your best!
